K.W. of Maximum Demand per month, and 1 cent per K.W.H. for all energy used in excess of two hundred K.W.H. per K.W. of Maximum Demand each month.

The Maximum Demand of motors, unless measured by Maximum Demand meter, will be taken as of one K.W. per horsepower of manufacturers rating.

For the purpose of this ordinance each and every meter shall constitute a separate service, and the Maximum Demand of every residence service is declared to be one K.W.; the minimum connected load of any service is declared to be one K.W., and the maximum demand of connected loads, other than residences, exceeding one K.W., will be estimated to be the greatest total wattage of all devices or appliances that are arranged to be connected on the circuits at any one time. Should any consumer desire, however, to install a maximum demand meter, which would be approved by the City, at his own expense, the highest monthly readings of such meter shall be taken as the Maximum Demand for the month,

The right to enter into special contracts at rates other than are contained in this ordinance shall rest in and be with the Board of Trustees."

Section 2.- All bills for electric energy and water furnished by the City of Lodi shall be payable to the City Clerk at his office in the City of Lodi from the first to and including the tenth day of each month, for the month next preceding.

To all bills for water and electric energy remaining unpaid, at 5 P.M. on the tenth day of each calendar month the City Clerk shall add to and collect as a penalty for non-payment the sum of ten cents (\$.10) for each bill. He shall immediately mail notice to each consumer in arrears stating the amount claimed, to be due and giving notice that if the claim is not settled by the tenth day of the following month service shall

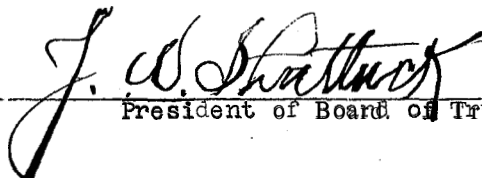

be discontinued and shall be resumed only upon payment of all arrears.

It will be the duty of the City Clerk to make 2nd deliver to the Superintendent of electric works on the eleventh day of each month a list showing the names and addresses of all parties who are then delinquent for water and electric service and said Superintendent shall thereupon cause the discontinuance of each service listed, or failing to do so shall report such failure to the Board of Trustees at their next regular meeting, giving his reason therefor.

Section 3.- No person, except an owner of the premises where electric service is desired shall be supplied with the same except upon the written order of the owner, who shall then become liable for all service rendered at said premises.

Section 4.- This ordinance shall be published by being printed one time in The Lodi News and shall take effect the first day of ~~January, 1924.~~

Approved this 5th .. day of November, 1923.
